Request for Review

CC Docket No. 02-6

CC Docket No. 96-45

To Whom It May Concern:

The Bronx Charter School for Better Learning requests a review of the decision of the Universal Service Administration Company (USAC) to deny the increase of the school's reimbursement rate from 80% to 90%.

The person who can most readily discuss this with you is the school's E-rate consultant:

Funding Information

Funding Year: 2006  
FRN: 1390304,1390312,1390324,1405866  
Form 471#: 504658  
BEN: 16034149  
Entity Name: The Bronx Charter School for Better Learning

The Bronx Charter School for Better Learning made an application for Priority One services for the 2006-2007 school year.

Application 471 number 504658 was filed using the following data submitted in:  
Block3 Worksheet A by the school:

Student count: 162      NSLP: 125      NSLP Students: 77.160%

During a PIA review the school was asked to validate the discount rate. The school submitted A Report of Meals Served form that is used by the New York City Board of Education for reimbursement for the NSLP (See attached A). On any given day during the week of 6/09/06 the number of meals served and claimed for reimbursement ranged from 80-82.6% free/reduced.

0

USAC reduced the funding level from 90% to 80% stating: "The site-specific discount was reduced to a level that could be validated based on third party data."

On October 3, 2006, the school appealed the reduction in reimbursement rate to USAC. The appeal was denied on November 6, 2006. (see attached copy)

The appeal was denied because "This documentation reflected an **average daily enrollment** of which 154 or 71.43% are eligible for free and reduced lunch. This percentage equates to an 80% discount level per the discount matrix."

The denial letter further states "The level of poverty is measured by the percentage of students **enrolled** in a school or school district who are eligible for a free or reduced price lunch under the National School Lunch Program..."

The Report of Meals Served form shows the number of students' registered-162 and the **average daily attendance** 154-Not the **average daily enrollment**. There is no such thing as average daily enrollment. Furthermore the FCC guidelines state the level of poverty is determined by the number of student **eligible** under the NSLP, not the number that **attended school** on a given day.

I am the Letter of Agency for many schools in the New York City area that used A Report of Meals Served to validate their reimbursement rate for the E-rate program. Please see the attached Report of Meals Served (example B- Leake and Watts and Example C- South Bronx Charter School) both schools were funded at the 90% reimbursement rate based on the submission of these forms.

Both forms show that the reimbursement rate was determined by using the total of the free/reduced lunches served divided by the total meals served **NOT** the number of students' registered or the average daily attendance

Example B Leake and Watts 471 # 522053 FRIDAY lunch figures were 84 free/reduced divided by 107- total meals served.

Example C South Bronx Charter School- 471 # 511223 FRIDAY lunch figures show 183 free/reduced divided by 186.

I have enclosed copies of the Report of Meals Served (Example D) showing meals served and reimbursement from 11/2005-11/2006. All of these claim forms show the school's reimbursement rate at least 80% which make this school eligible for an E-rate reimbursement rate of 90%

Please see the signed certification (example E and F) from the principal, Shubert Jacobs stating the number of free and reduced students for the 2006-2006 and 2006-2007 school year. The original school lunch forms are available for your review at The Bronx Charter School for Better Learning, 3740 Baychester Ave., Bronx, NY 10466.

I am asking that you restore this school's reimbursement rate to 90% as shown by the attached supporting documentation.

Sincerely,

A handwritten signature in black ink, appearing to read "Janice H. Meyers". The signature is written in a cursive, flowing style. The first letter "J" is large and loops around. The last part of the signature "11/10/15" is written in a more legible, blocky script.

Re: Applicant Name: THE BRONX CHARTER SCHOOL FOR  
BETTER LEARNING  
Billed Entity Number: 16034149  
Form 471 Application Number: 504658  
Funding Request Number(s): 1390304, 1390312, 1390324, 1405866  
Your Correspondence Dated: October 02, 2006

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2006 Funding Commitment Decision Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1390304, 1390312, 1390324, 1405866  
Decision on Appeal: **Denied**  
Explanation:

- During the Appeal Review, USAC thoroughly assessed the facts presented in the appeal letter, the relevant documentation on file, and the FCC Rules and Procedures before making its determination on your appeal. USAC agrees that PIA correctly determined that the percent discount should have been 80% based on the Report of Meals Served documentation that was submitted to PIA. This documentation reflected an average daily enrollment of 154 students of which 110 students or 71.43% are eligible for free and reduced lunch. This percentage equates to an 80% discount level per the discount matrix. The information submitted on the Form 471 is solely the applicant's responsibility. Since you did not demonstrate in your appeal that the adjustment USAC made to your discount percentage was incorrect, your appeal is denied.

no such thing

- FCC Rules provide that the discount available to an applicant is determined by indicators of poverty and high cost. 47 C.F.R. sec. 54.505(b). The level of poverty is measured by the percentage of students enrolled in a school or school district who are eligible for a free or reduced price lunch under the National School Lunch Program, or a federally-approved alternative mechanism. Alternatively, the level of poverty is measured according to participation in Medicaid, Food Stamps, Supplementary Security Income (SSI), Federal Public Housing Assistance or Section 8, or Low Income Home Energy Assistance Program (LIHEAP). See Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Report and Order, 12 FCC Rcd 8776, 9045, FCC 97-157 para. 510 n. 1334 (rel. May 8, 1997). The high cost determination is made pursuant to FCC Rules that classify a school or library as rural or urban. 47 C.F.R. sec. 54.505(b)(3). An applicant's discount rate is determined by reference to a matrix based upon the level of poverty and whether the entity is classified as rural or urban. 47 C.F.R. sec. 54.505(c).

NOT  
ATTENDING

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC. Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

471 application number 504658  
BEN 16034149

I am appealing the Discount Percentage Approved by USAC 80%  
Funding Commitment Decision Explanation: The site-specific discount was reduced to a level that could be validated based on third party data.

Application 471 number 504658 was filed using the following data submitted in :

Block3 Worksheet A by the school:

Student count: 162                      NSLP: 125                      NSLP Students: 77.160%

On June 13, 2006 we received a PIA request requesting among other things validation of "your requested discount percentage of 90% for The Bronx Charter School for Better Learning". The school participates in the New York City Board of Education Nutrition Services. We submitted a meals claim form signed by our Principal Shubert Jacobs.

Please see attached claim form.) The form clearly shows that the NSLP claims for lunch are at the 80% range which would make our discount rate 90%.

I printed our NCES data from the 2004-2005 school year which shows our NSLP rate of 76. 23%. This data is old.

I am requesting that our discount rate be adjusted to reflect a 90% reimbursement rate.
